Dear Occupy Dayton Members:

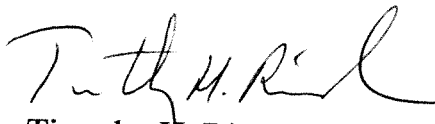

On behalf of the City of Dayton, I would like to thank the Occupy Dayton group for agreeing to move its base from Courthouse Square to Dave Hall Plaza during the recent Holiday Festival celebration. Your decision was a thoughtful gesture that allowed the community to convene and enjoy the traditional holiday kick-off without compromising the spirit or message of the Occupy movement. We appreciate your support and cooperation.

Going forward, we would like to continue to work together to ensure the Occupy Dayton activities and operations can be maintained within the framework of existing City rules or regulations. If Occupy Dayton now intends to extend its presence at Dave Hall Plaza, we ask that all members adhere to the policies and procedures affecting City park facilities, outlined below:

- 1) City parks are closed at sunset.
- 2) Nothing may be left in City parks overnight. This includes personal items such as tents, structures, sleeping bags, etc.
- 3) The use of sound amplifying equipment is not permitted within City parks without the written consent of the City of Dayton Department of Public Works.

Thank you again for your cooperation. By continuing to work together, we can balance the needs and expectations of the Occupy Dayton movement with the overall needs and expectations of the community at large, without overburdening limited City resources or capacity.

Thank you.

Timothy H. Riordan
City Manager
